CUTTING COMPOUNDS

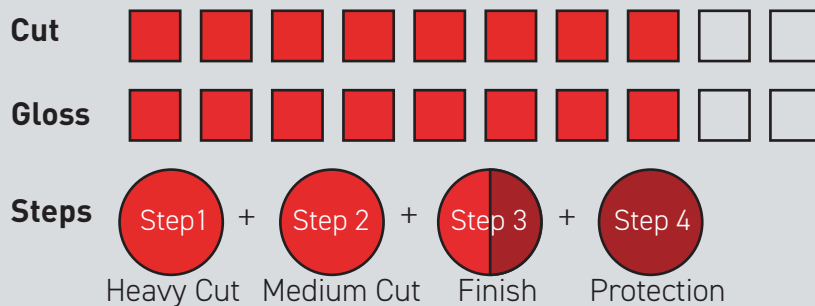

Menzerna Heavy Cut Compound 1000 (1 Litre) is a highly effective sanding polish for automotive clear coats. HCC 1000 removes overspray, severe signs of use and sanding marks effectively and reliably.

SKU: MENHC1000L

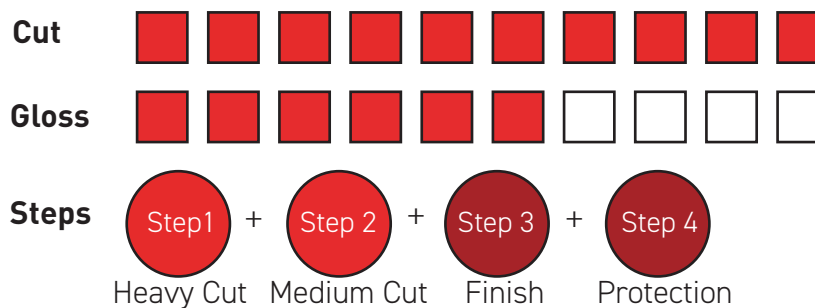

Menzerna Heavy Cut Compound 400 Performance Compound (1 Litre) always leaves a glistening impression. It eliminates sanding marks and quickly removes scratches on the car, and generates gloss all the way to the finish.

SKU: MENSHC400L

Super Heavy Cut Compound 300 (1 Litre) is the ultimate sanding polish for modern automotive clear coats with maximum sanding effect and the latest technology.

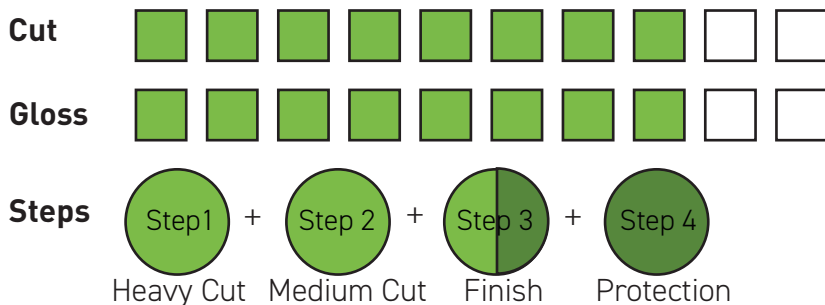

SKU: MENSHC300L

CUTTING COMPOUNDS

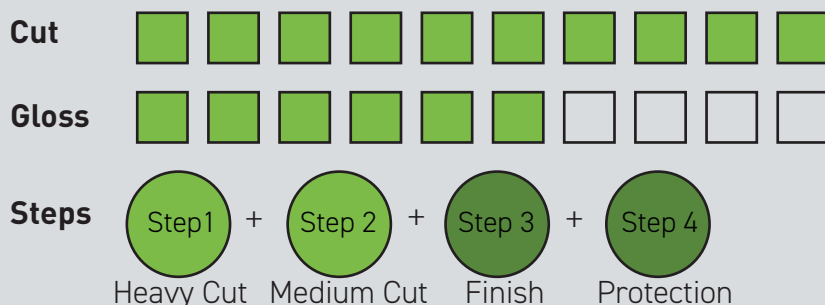

Menzerna Heavy Cut Compound 400 Green Line (1 Litre). This VOC-free automotive polish removes sanding marks and leaves behind a glossy finish. It quickly removes scratches in the car paint and ensures optimum polishing results.

SKU: MENGL400L

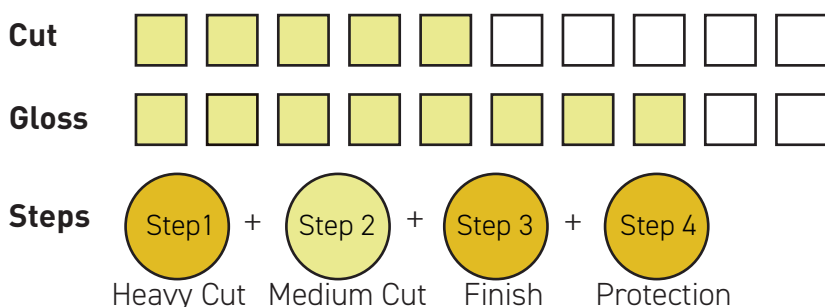

Menzerna Super Heavy Cut Compound 300 Green Line (1 Litre). The perfect automotive polish for the removal of deep scratches. Alongside optimum polishing performance, it also makes the vehicle detailing and painting process healthier and more pleasant.

SKU: MENGL300L

Menzerna Medium Cut Polish (1 Litre). The ideal Medium Cut polish for older dry paint systems and soft coats ('sticky paint'). It swiftly handles car wash scratches and various paint imperfections.

SKU: MENMC2400L

POLISHES

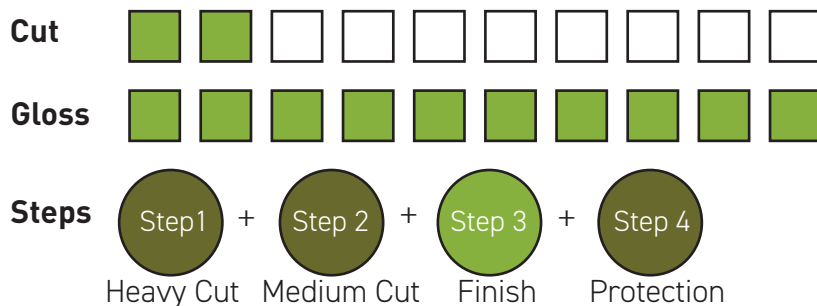

Menzerna Super Finish 3500 (1 Litre). This top-tier polish eliminates marks, scratches, and holograms, delivering a flawless mirror finish. Its dark color makes it ideal for dark car coats.

SKU: MENSF3500L

Menzerna Super Finish Plus 3800 (1 Litre). This automotive polish boasts genuine star quality and polishes micro scratches and holograms for sparkling performance. It is the perfect choice when it comes to achieving maximum high gloss for black/dark coats.

SKU: MENSF3800L

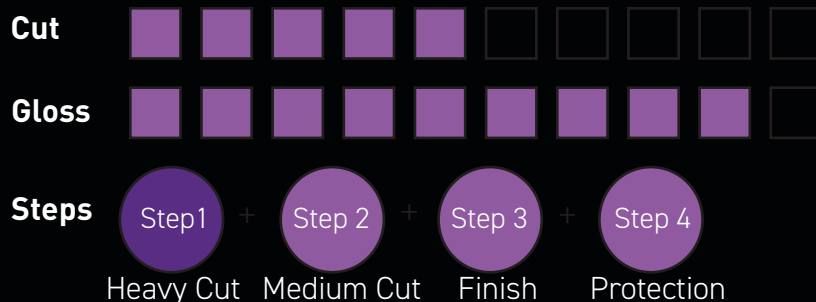

POLISHES

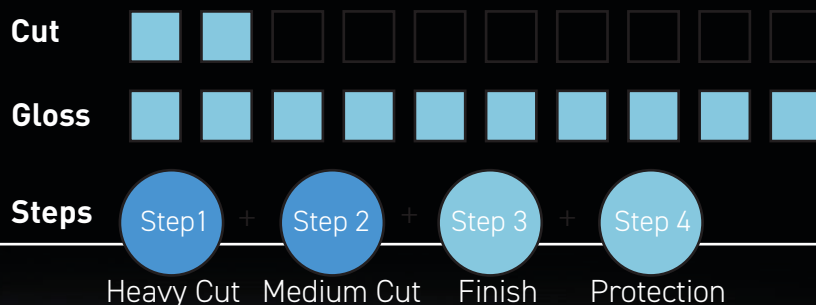

Menzerna One Step Polish 3 in 1 (1 Litre) - Polish out 3000-grit sanding marks, remove smears, swirls, and shadows, and protect the high-gloss finish – all in one step. Ideal for novice polishers and detailing used vehicles.

SKU: MEN31L

Menzerna Power Protect Ultra 2 in 1 (1 Litre). Top performance all the way: not only removes fine smears and holograms, but also creates a protective film. It contains carnauba wax, which protects the car coat following polishing of the holograms.

PROTECTIVE WAXES

Menzerna Sealing Wax Protection 1 Litre This auto coat sealant creates a protective, dirt-repellent film. The polishing wax generates deep shine and brilliance on the surface of the coat.

SKU: MENSWP1L

Menzerna Power Lock Ultimate Protection 1 Litre The long-haul specialist acts as a lasting sealant, reliably protecting against environmental influences with an unrivalled beading effect and ultimate deep gloss.

SKU: MENPLL

Menzerna Liquid Carnauba Protection (1 Liter) This last step product has an extremely high wax content and generates a hydrophobic finish that creates an elegant beading effect.

SKU: MENLC1

Menzerna Endless Shine 500ml

Endless Shine is very easy to use, just simply mist on, wipe and then buff off. It leaves a slick, anti-static, deep gloss finish.

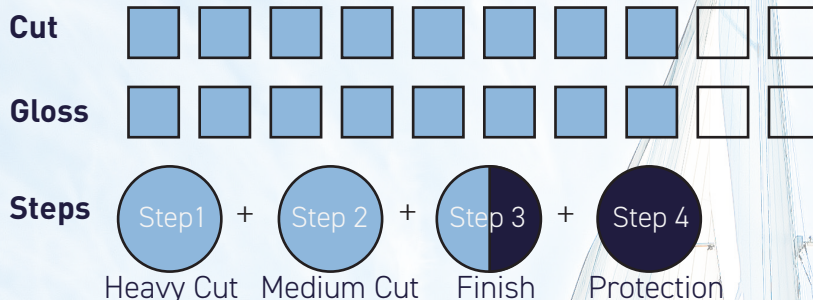

SKU: MENES500

MARINE

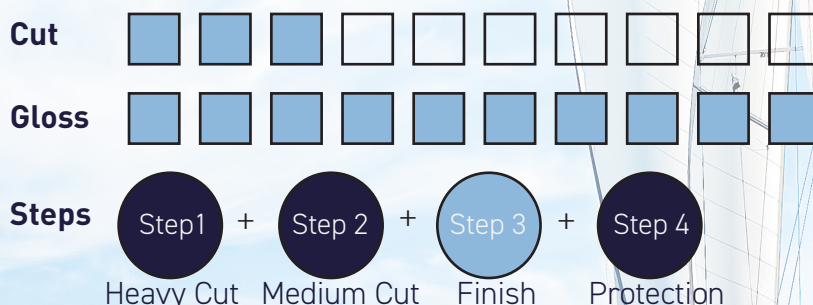

Menzerna Premium One-Step Polish (1 Litre). This boat polish saves time by removing scratches and signs of use, while generating a gloss finish at the same time. Menzerna Gelcoat Premium One-Step Polish is a life-saver on large vessels, as it means only one application is required.

SKU: MENGPOSL

Menzerna Gelcoat Premium Gloss (1 Litre). The Gelcoat Premium Gloss boat polish does a superb job on dark gel coat surfaces. Glide effortlessly across the water thanks to a flawlessly smooth finish.

SKU: MENPGL

Menzerna Gelcoat Premium Protection (1 Litre). Cutting-edge polymer technology enables a visibly fresher and noticeably smoother gel coat finish. Effervescent effect: less resistance, lower consumption. This sealant offers durable, long-lasting protection for your boat.
