--	--

Recommended Usage

1. Before sealing: Clean the already shiny surface with Menzerna Control Cleaner.
2. Shake bottle well before use.
3. Spray two to three sprays onto the Menzerna Premium Microfiber Cloth (blue).
4. To achieve a perfect result, spread the product with the Menzerna Premium Microfiber Cloth (blue) on the surface to be sealed.
5. Remove the remaining product after application on the surface with the dry side of the Menzerna Premium Microfiber Cloth (blue).
6. The vehicle should then be left in a dry place for 2-3 hours, away from direct sunlight.
