Product Description

Farécla Fast Inspection is a spray on, wipe clear product for rapid clean up & a high gloss finish. Its water-based, silicone free formula easily removes surface contamination, oils, dirt, fingerprints etc, making it the ideal product for evaluation of paint repairs.

Directions For Use

For best results follow these recommended steps:

- ✧ Mist on Fast Inspection spray to the paint surface following repairs.
- ✧ Wipe clear with a Farécla Advanced Finishing Cloth for a high gloss shine.

Key Benefits

- ✧ Clean & easy to use with a pleasant scent.
- ✧ Water-based, silicone free system.
- ✧ Easily removes surface contamination, oils, dirt, fingerprints etc.
