

Polish

Swirl Remover

Product Description

G3 Polish Swirl Remover is a light cut, water-based compound used primarily as a second finishing step to remove swirl marks and give a high gloss finish. It will remove light scratching, restore colour and improve clarity and depth on dark colours.

Technical Information

Appearance: White coloured liquid
 Viscosity: Low - medium viscosity
 VOC Content: 14.165% of total product
 Relative Density: 1.16
 pH: 10
 Paint Type Compliance: All paint types

Product Information

Size	Code	Ctn Qty
500ml (17 fl.oz.)	G3P501	12
1 litre (34 fl.oz.)	G3P118	6

Key Benefits

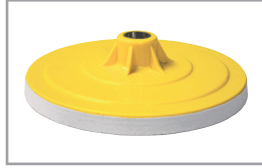

- Fast, Effective and Precise** Rapidly removes swirl marks and minor surface defects without scratching
- Permanent High Gloss Results** Contains no added fillers, giving a permanent gloss finish with depth and clarity, even on dark colours, with no risk of die-back
- Easy to Use** Simple, forgiving formulation with less mess for an easier clean up
- User safe & Environmentally Friendly** Water-based with low solvent and low VOC content for safer working

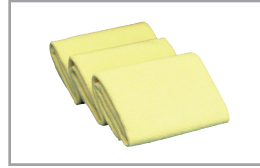

Use With

G Mop 8" Yellow
Waffle Pad
CFY801

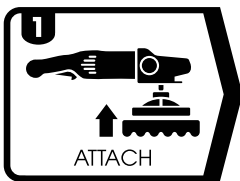

G Mop 8" Back Plate
BPI812

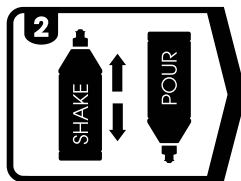

Farécla Finishing
Cloth
FC-3

How To Use

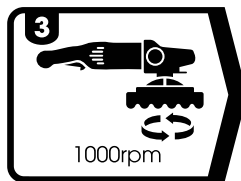

Machine Application

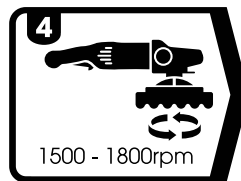

Attach 8" Yellow
Waffle Pad to
polishing machine
CFY801 (pad)

Shake bottle
well before use
and apply a small
amount of the
product to the
surface or pad
G3P118 (1 ltr)

Spread and start
compounding
at 1000rpm

Slowly increase
speed to 1500 -
1800rpm. **DO NOT
ALLOW TO DRY**

Wipe clean with
Finishing Cloth
FC-3 (cloth)
