

Professional Super Dressing

CLEAN & FINISH

CLEANER & PROTECTANT FOR RUBBER, VINYL & PLASTICS, LEAVING A 'NEW LOOK' SHEEN

PRODUCT DESCRIPTION

G3 Pro Super Dressing is a cleaner and protectant for plastic, rubber and vinyl. Use to revive old and oxidised, tired looking plastic, rubber and trims. The fast drying action leaves a non-slippery, factory look sheen. Higher gloss finish can be achieved with multiple applications. Excellent as engine bay dressing after cleaning with **G3 Pro Multicleaner**.

PRODUCT INFORMATION

Size	Part No.	Ctn. Qty.
500ml	7201	6
1 US gallon	7227	1
5 US gallons	7228	1

TECHNICAL INFORMATION

Appearance: turquoise liquid
VOC Content: n/a
Relative Density: 1.06 - 1.08
pH: 7 - 8
Silicones: none

APPLY BY SPRAY, CLOTH OR BRUSH

SILICONE-FREE FOR A NATURAL FACTORY LOOK

USE AS A DRESSING ON CLEAN ENGINE BAYS

Spray sparingly onto the surface or a clean, dry **G3 Pro Super Soft Microfibre Fleece**

Wipe on to clean, then buff off with a clean, dry **G3 Pro Super Soft Microfibre Fleece** to leave a natural, 'as new look' finish

Further applications will build the gloss level if a high shine finish desired
