

Professional Surface Sealant

FINISH

CREATES AN INVISIBLE, HYDROPHOBIC PROTECTIVE SEAL

PRODUCT DESCRIPTION

Perfect protection after cleaning and rectifying the surface. **G3 Pro Surface Sealant** is an easy on, easy off sealant providing a durable, hydrophobic layer, protecting against sun oxidation, bird lime, acid rain, bugs, salts and other harmful environmental contaminants for up to 1 year. It is re-coatable after 8 hours for enhanced durability.
